

CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

Advanced Composites Group Limited
Heanor, Derbyshire
United Kingdom

has been approved by Lloyd's Register Quality Assurance Limited, Coventry, UK, to the following Quality Management System Standards:

ISO 9001:2008
AS 9100 Revision B

This certification has been performed in accordance with the requirements of EN 9104:2006

The Quality Management System is applicable to:

Design and manufacture of structures, tooling and components in polymer-based advanced composite materials. Manufacture of polymer-based advanced composite materials and ancillary products. Sales and marketing of tooling blocks and associated ancillary products. Mechanical, chemical and physical testing of advanced composite materials and structures, development of polymer based resin systems.

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

This certificate forms part of the approval identified by certificate number LRQ 0924425

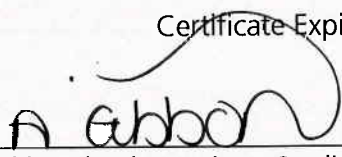

Approval
Certificate No: LRQ 0924425/A

Original ISO Approval: 7 August 1995

Original ASCS Approval: 14 February 1997

Current Certificate: 25 November 2010

Certificate Expiry: 31 March 2012

Issued by: Lloyd's Register Quality Assurance Limited

001

CERTIFICATE SCHEDULE

Advanced Composites Group Limited Heanor, Derbyshire United Kingdom

Locations

Advanced Composites Group Limited
Heanor, Derbyshire
United Kingdom

Activities

Design and manufacture of structures, tooling and components in polymer-based advanced composite materials. Manufacture of polymer-based advanced composite materials and ancillary products. Sales and marketing of tooling blocks and associated ancillary products. Mechanical, chemical and physical testing of advanced composite materials and structures, development of polymer based resin systems.

Advanced Composites Engineering Limited
Heanor, Derbyshire
United Kingdom

Design and manufacture of structures, tooling, and components in polymer based advanced composite materials.

Advanced Composites Materials Limited
Heanor, Derbyshire
United Kingdom

Manufacture of polymer based advanced composite materials and ancillary products. Sales and marketing of tooling block and associated ancillary products.

Umeco Composites Structural Materials
Technology Centre
Heanor, Derbyshire
United Kingdom

Mechanical chemical and physical testing of advanced composite materials and ancillary products. Development of polymer based resin system.
